A 'direct vote' includes notice of a shareholder's voting intention delivered to the company by post, fax, electronic or other means approved by the Board and otherwise in accordance with the Constitution and regulations, rules and procedures made by the Board in accordance with rule 44(a) of the Constitution.

That Guide is available at <https://shareholders.redbubble.com/site/investor-information/annual-general-meetings>, and has been lodged with the ASX.

Voting by proxy

Proxies will be able to:

- attend the Meeting in person, vote in accordance with their proxy instructions and ask Directors questions in person;
or
- view the live webcast of the Meeting, vote online in real time in accordance with their proxy instructions and ask Directors questions online.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy; and
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholders' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular Resolution and if it does:

the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

if the proxy has 2 or more appointments that specify different ways to vote on the Resolution, the proxy must not vote on a show of hands; and

if the proxy is the Chair, the proxy must vote on a poll, and must vote that way (i.e. as directed); and

if the proxy is not the Chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular Resolution at the Meeting; and
- the appointed proxy is not the Chair; and
- at the Meeting, a poll is duly demanded on the Resolution, or is otherwise required under section 250JA, on the question that the Resolution be passed; and
- either of the following applies:
 - the proxy is not recorded as attending the Meeting; or
 - the proxy does not vote on the Resolution,
- the Chair is taken, before voting on the Resolution closes, to have been appointed as the proxy for the purposes of voting on the Resolution at the Meeting.

Voting by attorney

Any shareholder may, by properly executed power of attorney, appoint an attorney to act on the shareholder's behalf at a general meeting. An attorney need not themselves be a shareholder. The attorney may be authorised to appoint a proxy for the shareholder granting the power of attorney.

The power of attorney appointing the attorney must be signed and specify the name of each of the shareholder, the Company and the attorney, and also specify the meeting(s) at which the appointment may be used. The appointment may be a standing one.

Explanatory Memorandum

1. Financial Statements and Reports

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Annual Report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Company's Annual Report is available on its website at <https://shareholders.redbubble.com/site/investor-information/reports-presentations/annual-reports>.

Shareholders will be given a reasonable opportunity to ask questions and make comments on the reports, and on the operations of the Company, and to ask questions of the auditor.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and other Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report. The Chair must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at two consecutive annual general meetings, at least 25% of the votes cast on a resolution in respect of a remuneration report vote against the adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting. If a Spill Meeting is convened, all of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting each person whose election or re-election as a director of the company was approved will continue as a director of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the Remuneration Report were more than 25% of the votes cast (61.33% *in favour*, 38.67% *against*). Accordingly, the Company received its 'first strike'.

In response to the first strike, Directors sought feedback from a number of Shareholders who voted against the Remuneration Report to understand their key concerns. Shareholders generally indicated that their concerns were largely unrelated to remuneration, but rather reflected broader frustrations with the Group's performance. To address these concerns, the Group undertook a number of initiatives in FY23, including:

- implementation of cost-reduction measures to substantially reduce the Group's operating expenditure and assist the Group in returning to sustainably positive underlying cash flow;
- focusing the Group's efforts on a narrower set of priorities which have driven, and are expected to continue to drive sustainable financial benefit; and
- an organisational restructure to more clearly define the Group function and two operating businesses, Redbubble and TeePublic.

In March 2023, Mr Hosking was appointed Group CEO and Managing Director. Mr Hosking has previously held this role and has a proven track record of creating significant shareholder value. In the relatively short time since his appointment, Mr Hosking has stabilised the Group's financial position and put in place the necessary framework for it to return to profitability. In July 2023, the Group achieved neutral underlying cash flow and is expected to achieve positive underlying cash flow in FY24.

The Directors are of the view that the changes made have stabilised the Group's financial position and provide a strong platform for its return to profitability. The Board has announced its plans for an orderly renewal process and believes this will enable Board refreshment, while also supporting the stability needed to embed the recent changes and re-establish growth. If more than 25% of the votes cast at the Meeting vote against the Remuneration Report under this Resolution, the Spill Resolution set out in Resolution 9 will be put to the Annual General Meeting. Please refer to section 9 of the Explanatory Memorandum for further information in respect of the Spill Resolution.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

4. Resolution 3 – Election of Director – Mr Robert Sherwin

4.1 General

Rule 48(c) of the Constitution provides that the Board may at any time appoint any person as a Director as an addition to the Board, and that Director appointed under rule 48(c) (other than an exempt Managing Director) may hold office only until the end of the next annual general meeting of the Company and is then eligible for election at that meeting without needing to give any prior notice of an intention to submit for election.

In accordance with rule 48(c) of the Constitution, Robert (Bob) Sherwin, a Director appointed by the Board during the year, will retire as Director at the Meeting and, being eligible, will stand for election.

If Resolution 3 is passed, Mr Sherwin will continue to be a Director and remain on the Board. If Resolution 3 is not passed, Mr Sherwin will cease to be a Director at the end of the Meeting.

Personal particulars for Mr Sherwin are set out below.

4.3 Board Recommendation

The Board (other than Mr Sherwin who has abstained from making a recommendation on Resolution 3 due to his personal interest) recommends that you vote in favour of Resolution 3. Each Director intends to vote their respective shareholdings in favour of this Resolution.

5. Resolution 4 – Election of Non-Board endorsed Director

5.1 Background

Under rule 48(b) of the Company's Constitution, a person may be elected a Director at a general meeting if a notice of the person's candidature (signed by the person) is given to the Company at its registered office at least 35 business days before the meeting.

Mr Michael McConnell, an external non-Board endorsed candidate, has nominated himself for appointment to the Board of the Company.

5.2 Michael McConnell

The following information was provided by Michael McConnell and has not been independently verified by the Company, nor does the Company make any representation as to its accuracy:

Michael McConnell has over 30 years business experience as an investment professional, operating executive and non-executive director in a range of industries, including, but not limited to, SaaS software, enterprise software, e-commerce, digital subscription, fintech, radio broadcasting, and the manufacture and distribution of healthcare, basic materials and chemical products.

Mr McConnell has served on numerous Boards of public and private companies in the US, Israel, Ireland, Australia and New Zealand, including Vonage Corporation (VG), OneSpan (OSPN), Adacel Limited (ADA), SPS Commerce (SPSC), Guidance Software (GUID), Spark Networks (LOV), Redflex Limited (RDF), Collectors Universe (CLCT), Ansell Limited (ANN), Vitacost (VITC), Nuplex Industries (NPX) and Koor Industries (KOR).

Mr McConnell led operational restructures and corporate strategy revisions at each of Collectors Universe (NASDAQ:CLCT) from March 2009 to October 2012, Spark Networks (NYSE:LOV) from August 2014 to December 2014 and Adacel Limited (ASX:ADA) from April 2019 to September 2019, as well as leading an internal investigation and crisis management plan from February 2013 to February 2014 as Interim Executive Chair at Redflex Holdings (ASX:RDF).

From 1994 to 2008, Mr McConnell worked at Shamrock Capital Advisors, the private investment company for the Roy E. Disney family. He founded and led the firm's \$1.5 bn activist fund and was a member of the executive committee.

Mr McConnell holds a bachelor's degree in economics from Harvard University and a masters of business administration (Shermet Scholar) from the Darden School of the University of Virginia.

5.3 Board Position

Board succession planning and director appointments are an ongoing responsibility of the Board and the Board periodically reviews its current and future needs and how those align with the skills and experience currently represented among the Directors.

The Company has established a People, Remuneration and Nomination Committee (**Committee**) which is responsible for, amongst other things, reviewing and implementing the Company's procedure for the selection and appointment of new directors and making nomination recommendations to the Board.

In considering new director appointments, the Committee's usual practice is to conduct a search, using professional search firms where appropriate, for the best available candidates with the skills, experience, expertise, personal qualities and attributes to best complement the skill set and characteristics of the existing directors and enhance the Board's overall effectiveness. The Committee also considers the current diversity of the Board, including, age, gender, cultural background, as well as the composition and size of the Board when determining whether a candidate will add value to the Board.

Having regard to the Company's skill matrix, current Board composition of executive and independent non-executive directors, and the skills and experience of Mr McConnell, the Board unanimously formed the view that Mr McConnell does not offer relevant skills or the experience required at this time to support his appointment as a Director of the Company.

It is noted that in early 2022, the Company considered the potential appointment of Mr McConnell as a Director. He met with the Chairman and subsequently met with the Chairman and the current Group CEO in person. Following these discussions, the Board formed the view that Mr McConnell's experience and track record as an activist investor in multiple companies was not consistent with the needs of the Company or the creation of sustainable shareholder value. The Board decided not to appoint Mr McConnell as a Director and, instead, appointed Mr Sherwin.

In addition, the Board is of the opinion that Mr McConnell has taken an aggressive and counter-productive approach to the Board and to his relationship with the Company's largest shareholder, Managing Director and Group CEO, Mr Hosking. The Board believes that continuation of this on the Board would be value destructive for all shareholders.

Accordingly, the Board unanimously believes that it is not in the best interests of the Company or its Shareholders that Mr McConnell be elected as a Director of the Company.

5.4 Board Recommendation

The Board **DOES NOT ENDORSE** the appointment of Michael McConnell as a Director and unanimously recommends that you vote **AGAINST** this Resolution. Each Director intends to vote their respective shareholdings **AGAINST** this Resolution.

6. Resolution 5 and Resolution 6 – Ratification of Issues of Securities

6.1 General

During the 12 months leading up to the date of the Meeting, the Company has issued:

- (a) 5,000,000 Shares to Solium Nominees (Australia) Pty Ltd ACN 600 142 541 as trustee of the Redbubble Limited Employee Share Trust (**EST**), as a top-up of the pool from which shares to be granted on exercise of convertible securities by employees under the EIP may be satisfied (**EST Shares**); and
- (b) the following securities to Redbubble Group employees pursuant to the EIP:
 - (i) 155,049 Restricted Stock Units (**RSUs**) on 7 December 2022;
 - (ii) 871,999 Zero-Priced Options (**ZPOs**) to the Group Chief Financial Officer, Rob Doyle, on 3 April 2023; and
 - (iii) 973,664 Share Appreciation Rights (**SARs**) to the Group Chief Financial Officer, Rob Doyle, on 3 April 2023.

In addition to the above issues, the Company has agreed to issue a further 3,368,931 ZPOs, 9,966,735 SARs and 6,020,162 RSUs under the EIP to various Group employees on or about 1 October 2023 (being, together with the RSUs, ZPOs and SARs details in paragraphs 6.1(b)(i)-(iii), **Employee Incentive Securities**).

The Company issued the EST Shares, and will issue the Employee Incentive Securities, under its 15% Placement Capacity. The issue of the EST Shares did not, and the Employee Incentive Securities will not, breach ASX Listing Rule 7.1.

Under Resolution 5 and Resolution 6, the Company is seeking Shareholder ratification of the issue of the EST Shares and the Employee Incentive Securities pursuant to ASX Listing Rule 7.4. Such approval will refresh the Company's ability to issue that number of securities under its 15% Placement Capacity in the future.

6.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, subject to certain exceptions prescribed under the ASX Listing Rules, ASX Listing Rule 7.1 limits the number of securities that a company may issue without shareholder approval over any 12-month period to 15% of the total of the number of shares the company had on issue at the start of the 12-month period (**15% Placement Capacity**).

ASX Listing Rule 7.4 allows for shareholders to subsequently approve an issue of, or agreement to issue, securities, provided the issue did not breach ASX Listing Rule 7.1 at the time of issue. If Shareholders do provide approval, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that Rule.

At the time of the issues of securities the subject of Resolution 5 and Resolution 6 respectively, the issue of such securities did not, or will not, fall within any exception in ASX Listing Rule 7.2. As the issues have not yet been approved by Shareholders, the issued securities are currently using up a part of the Company's 15% Placement Capacity, reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the relevant issue.

If either of Resolution 5 or Resolution 6 is passed, the securities the subject of that Resolution will be excluded in calculating the Company's 15% Placement Capacity, effectively increasing the number of equity securities the Company can issue without obtaining Shareholder approval over the 12-month period following the issue date of the relevant issue of securities. If either of Resolution 5 or Resolution 6 is not passed, the securities the subject of that Resolution will continue to be included in calculating the Company's 15% Placement Capacity, effectively decreasing the number of equity securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date of the relevant securities.

The Directors consider it prudent to retain the flexibility and capacity to issue additional securities in accordance with ASX Listing Rule 7.1 if circumstances require and, accordingly, seek Shareholders' approval of the ratification of the issue of Shares to the trustee of the Redbubble Employee Share Trust as set out in Resolution 5, and the issue of Employee Incentive Securities to various employees of the Company as set out in Resolution 6.

6.3 Summary of issue of Shares under Resolution 5

7. Resolution 7 – Approval of Director participation in Equity Incentive Plan and issue of Securities to the Group CEO and Managing Director, Mr Martin Hosking

7.1 Background

On 17 April 2023, the Company announced the material terms of the employment agreement in respect of Mr Hosking's appointment as Group Chief Executive Officer and Managing Director. On 22 September 2023, the Company announced a variation to the terms of Mr Hosking's appointment, relating to remuneration for FY24 onwards. As set out in the ASX announcements, Mr Hosking's remuneration is as follows:

- (a) cash remuneration of \$400,000 per annum (including superannuation);
- (b) cash short term incentive of \$200,000 per annum subject to achievement of Group financial targets;
- (c) subject to obtaining all necessary shareholder approvals, the Company having sufficient capacity under its EIP at the relevant grant date, and Mr Hosking remaining employed as at the date of the offer and the date of issue, Mr Hosking will receive the following annual equity grants during his employment, pursuant to the Redbubble Executive Compensation Model Rules (**RECM Rules**):
 - (i) as a base incentive and in respect of the period 1 April 2023 to 30 September 2023 (**Initial Period**) only, an award of ZPOs exercisable into Shares in the Company with a value of \$200,000 per annum, adjusted pro rata for the Initial Period, being 222,060 ZPOs (**Initial ZPOs**); and
 - (ii) as a long-term incentive, an award of SARs with a value of \$600,000, for each year of service, including the pro rata number of SARs in respect of the Initial Period. Accordingly, subject to obtaining shareholder approval at the Meeting, Mr Hosking will be issued:
 - (A) 973,664 SARs (**Initial SARs**) for the Initial Period; and
 - (B) such number of SARs for the period from 1 October 2023 to 30 September 2024 as calculated in accordance with the RECM Rules, as detailed below at paragraph 7.4(a)(iii) (**FY24 SARs**).
- (d) Pursuant to the RECM Rules, the ZPOs and SARs granted to Mr Hosking will be subject to the following terms:
 - (i) the number of SARs to be issued each year (including the FY24 SARs) will be calculated by reference to the Black Scholes valuation using the 30-calendar day volume weighted average price of Shares (**30 Day VWAP**) immediately prior to 1 October of the grant year;
 - (ii) the exercise price of the Initial ZPOs is \$0.00;
 - (iii) the exercise price of SARs will be the 30 Day VWAP immediately prior to 1 October of the grant year, subject to adjustment at the Board's discretion if it considers there have been unusual trading circumstances. The total value exceeding the aggregate exercise price of SARs following vesting may be exercised into Shares or paid in cash, at Redbubble's discretion. The exercise price for the Initial SARs is \$0.4639;
 - (iv) the Initial ZPOs will vest on 1 April 2024;
 - (v) SARs will vest, subject to Martin remaining employed as Group CEO and Managing Director at the time of vesting, on achievement of a compounding return target on any of the third, fourth or fifth anniversaries of the relevant grant date. The compounding return target is based on a 10% per annum Total Shareholder Return (**TSR**) from the grant date. TSR is calculated as the total of the share price appreciation plus any dividends paid during the period. In respect of the Initial SARs, the 10% per annum TSR will be measured from the exercise price of \$0.4639 with the testing points on any of 1 October 2025, 1 October 2026 and 1 October 2027;
 - (vi) the total value exceeding the aggregate exercise price of SARs may be exercised into Shares or paid in cash, at Redbubble's discretion;
 - (vii) a holding period will apply to ZPOs, SARs and any resulting Shares for 12 months following vesting, irrespective of cessation of employment;
 - (viii) in the event of Mr Hosking's resignation or termination, unvested ZPOs will be forfeited and Martin will retain a prorated portion of unvested SARs, subject to service and eligibility conditions;
 - (ix) the Board retains discretion in respect of adjustment of vesting of awards and pro rata vesting in select circumstances (subject to applicable laws and ASX Listing Rules); and
 - (x) ZPOs and SARs will expire on the earlier of:
 - (A) 6 years after the relevant grant date; and
 - (B) 90 days after the date of resignation or termination (subject to the Board's discretion and applicable laws and ASX Listing Rules).

7.2 Summary of Chapter 2E of the Corporations Act

Under section 208 of the Corporations Act, for a public company to give a financial benefit to a related party (such as a Director of the Company), the public company or entity must obtain the approval of the company's members unless the giving of the financial benefit falls within an exception set out in sections 210 and 216 of the Corporations Act.

Section 229 of the Corporations Act defines "financial benefit" broadly and includes, as an example of a "financial benefit", the issuing of securities or the granting of an option or a right to a related party. Accordingly, the proposed issue of ZPOs and SARs to Mr Hosking under Resolution 7 constitutes the provision of a financial benefit to a related party.

The Directors (other than Mr Hosking) consider that the proposed issue of the ZPOs and SARs under Resolution 7 constitutes reasonable remuneration to Mr Hosking and, as such, falls within the exception set out in section 211 of the Corporations Act. In reaching this view, the disinterested Directors considered:

- (a) the position and responsibilities of Mr Hosking;
- (b) the Company's reliance on the Group Chief Executive Officer and Managing Director;
- (c) the time commitment and workload required of Mr Hosking to drive the Company's strategies and objectives;
- (d) the considerable contribution that Mr Hosking has made and continues to make to the growth of the Company's business;
- (e) the need for the Company to effectively incentivise the Group Chief Executive Officer and Managing Director while aligning the incentive with increasing shareholder value;
- (f) the desirability of preserving cash resources within the Company;
- (g) the composition and value of the remuneration packages of managing directors of other ASX-listed companies of similar size and circumstances to that of the Company; and
- (h) the terms of the ZPOs and SARs in light of the Company's business objectives and the current Share price.

The Board believes that the ZPOs and SARs are an effective remuneration and incentive tool which preserves the cash reserves of the Company whilst providing valuable remuneration and incentive to Mr Hosking.

Accordingly, Shareholders are being asked to approve the issue of the ZPOs and SARs in accordance with ASX Listing Rule 10.14 only.

7.3 Summary of ASX Listing Rule 10.14

ASX Listing Rule 10.14 requires Shareholder approval to be obtained in respect of an issue of equity securities (which includes ZPOs and SARs) under an equity incentive plan to a Director of the Company. If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rules 7.1 or 10.11.

If Resolution 7 is approved, the relevant grant of Initial ZPOs, Initial SARs and FY24 SARs granted to Mr Hosking will not be included in calculating the Company's 15% Placement Capacity.

If Shareholders do not approve Resolution 7, the grants of Initial ZPOs, Initial SARs and FY24 SARs will not proceed. In that circumstance, issues may arise with the competitiveness of Mr Hosking's total remuneration package and alignment of rewards with other senior executives in the Company. The Board would then need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing equivalent cash incentives.

(h) Voting exclusion statement

A voting exclusion statement is included in the Notice for the purpose of Resolution 7.

7.5 Board Recommendation

The Board (other than Mr Hosking) recommends that you vote in favour of Resolution 7. Mr Hosking has abstained from making a recommendation to shareholders in respect of this Resolution due to his material personal interest in their outcome. Each other Director intends to vote their respective shareholdings in favour of this Resolution.

8. Resolution 8 – Approval to change the Company’s name

8.1 Proposed change

During FY23, the Company was restructured to more clearly define the corporate parent and its two operating businesses, Redbubble and TeePublic, which each operate as independent online marketplaces in their own right. The new structure enables each marketplace to focus on their individual strengths and value propositions, while leveraging the Group’s expertise and resources.

The Board believes changing the Company name will support the new structure and address any potential confusion created by the corporate parent and one operating business sharing the same name. It will also more accurately reflect the operations of the Company as a collective of branded marketplaces.

In accordance with section 157(1)(a) of the Corporations Act, the Company submits to Shareholders for consideration and adoption by way of a Special Resolution that the name of the Company be changed to 'Articore Group Limited'. The proposed name has been reserved by the Company with ASIC. If this Resolution is approved, the Company also intends to change its ASX ticker code from "RBL" to "ATG".

The Company also seeks approval under section 136(2) of the Corporations Act to amend the Company's Constitution to reflect the change of name.

8.2 General

Resolution 8 is a Special Resolution and, therefore, requires approval of 75% of the votes cast by Shareholders present and eligible to vote. In accordance with section 157(3) of the Corporations Act, the change of name will take effect when ASIC alters the details of the Company's registration.

8.3 Board Recommendation

The Board recommends that you vote in favour of this Resolution and each Director intends to vote their respective shareholdings in favour of this Resolution.

9. Resolution 9 – Conditional Spill Resolution (ONLY IF REQUIRED)

IMPORTANT NOTE: in accordance with the Corporations Act, Resolution 9 will only be put to the Meeting if more than 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report.

9.1 General

The Corporations Act requires that if more than 25% of votes are cast against the adoption of the remuneration report at two consecutive annual general meetings, then a resolution must be put to Shareholders at the second annual general meeting substantially in the form of Resolution 9.

At the previous annual general meeting, more than 25% of the votes validly cast on the resolution concerning the adoption of the remuneration report presented at that meeting were cast against that resolution. Accordingly, if at this Meeting more than 25% of votes validly cast are against the adoption of the Remuneration Report (Resolution 1) then this Resolution will be put to the Meeting.

9.2 Effect of Spill Resolution if passed

If this Resolution is put to the Meeting and more than 50% of Shareholders vote in favour of this Resolution, then:

- (a) a Spill Meeting must be held;
- (b) all of the current members of the Board other than the Managing Director who may, in accordance with the ASX Listing Rules, continue to hold office indefinitely without being re-elected, will vacate their offices immediately before the end of the Spill Meeting; and
- (c) at the Spill Meeting, resolutions will be voted on to elect individuals to the vacated offices.

If all the current Directors other than the Managing Director who may, in accordance with the ASX Listing Rules, continue to hold office indefinitely without being re-elected, cease to be Directors prior to the Spill Meeting, the meeting need not be held.

9.3 Board Recommendation

Before voting on this Resolution, the Board suggests that shareholders consider the following factors:

- the Board's view that it currently has the right mix of skills and experience;
- the Group's response to the 'first strike', explained in paragraph 2.3 above, which has stabilised the Group's financial position and provides a strong platform for its return to profitability;
- the Board's plans to undertake an orderly Board renewal process, which will enable refreshment of Directors, without disrupting the recent progress that has been made;
- uncertainty and distraction over the ongoing leadership and strategic direction of the Group may damage the Company; and
- the considerable expense associated with holding a Spill Meeting.

The Board recommends that you vote **AGAINST** this Resolution.

Annexure A – Summary of Employee Incentive Plan

The Group grants equity awards to its staff under various equity incentive plans and arrangements (collectively, the EIP).

The EIP currently consists of:

- the Redbubble Limited Equity Incentive Plan Rules 2015, as amended on 23 October 2019 (the 2015 Plan Rules);
- the Restricted Share and Performance Rights Plan Rules (the Performance Rights Plan Rules); and
- the 2014 Option Plan Rules, as amended on 23 October 2019 (the 2014 US Option Plan Rules)
- (each being a set of EIP Rules).
- The types of instruments that may be granted under the EIP are:
 - Performance Rights (also referred to as Restricted Stock Units), comprising conditional rights to receive Shares, subject to the satisfaction of specified performance and/or time based vesting conditions;
 - Options, comprising a right to receive Shares upon payment of a specified exercise price (or in the case of Zero Priced Options no exercise price) and subject to applicable vesting conditions;
 - Restricted Shares, being Shares that are subject to disposal restrictions for a specified period and that are liable to forfeiture by the holder in specified circumstances; and
 - Share Appreciation Rights, comprising a right to receive Shares (or cash, subject to Board discretion) equal to the value of share price appreciation over a specified exercise price and subject to applicable vesting conditions.

The key terms of the EIP are summarised below.

Eligibility	Under each set of EIP Rules, awards may be made to employees, consultants or Directors. The Board has the discretion to determine which persons are eligible to participate in the EIP and what type of awards suits the remuneration or incentive purpose.
Awards	<p>The Board has the discretion to set the terms and conditions on which it will offer awards under the EIP.</p> <p>In particular, the Board may determine that awards will be subject to performance, service or other conditions (the Vesting Conditions) and, if so, will specify those Vesting Conditions in the offer. Vesting Conditions may include conditions relating to continuous employment, performance of the participant and/or the Company or the occurrence of specific events.</p> <p>Awards will vest to the extent that the applicable Vesting Conditions are satisfied, and the Board retains discretion to waive the satisfaction of the Vesting Conditions, in certain circumstances.</p> <p>Awards under the EIP may be issued at no cost to the participants. Options may be subject to payment of an exercise price by the participant which is determined by the Board and advised to the participant in individual offer documents. The exercise price for Options granted under the 2014 US Option Plan Rules must be no less than the fair market value of Shares at the time of grant.</p>
Vesting date	Subject to the satisfaction of any applicable Vesting Conditions, Awards held by a participant will vest on the date specified in the terms of offer for those awards (to be determined by the Board at the time of offer and advised to the participant in individual offer documents).
Shares as an award or on vesting of an award	<p>Shares allocated on vesting or exercise of an award carry the same rights and entitlements as other issued Shares, including dividend and voting rights.</p> <p>Depending on the terms of issue, Restricted Shares and other Shares allocated upon the vesting of awards may also be subject to disposal restrictions and forfeiture conditions.</p> <p>Shares allocated to participants may be issued by the Company or acquired on or off market by the Company or its nominee. The Company may initially issue Shares to a trustee and later transfer the Shares to participants.</p>

Dividend and voting entitlements	Awards, other than Restricted Shares, are not entitled to dividend or voting rights.
Quotation	Awards, other than Restricted Shares, will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the EIP.
Cessation of employment	<p>Under the 2015 Plan Rules, the Board has broad discretion to determine the manner in which a participant's unvested awards will be treated upon their ceasing employment. This includes the discretion to accelerate vesting of awards and to pay a cash equivalent, rather than delivering Shares, upon vesting of awards. To the extent that the Board does not exercise its discretion, the participant's unvested awards will lapse.</p> <p>The Board has similar discretion under the Performance Rights Plan Rules, except that a participant's unvested awards automatically lapse where the participant resigns from employment within 12 months after the grant of the award or where their employment is terminated with cause.</p> <p>Under the 2014 US Option Plan Rules, upon a participant ceasing employment, all of their unvested awards will generally lapse and the period during which they may exercise vested awards will be shortened.</p>
Change of control	If a change of control of the Company occurs, the Board has broad discretion to determine the manner in which unvested awards will be dealt with and may also determine to waive any disposal restrictions that continue to apply to Shares acquired by participants as a result of the vesting of awards.
Restrictions	<p>Without the prior approval of the Board, awards may not be sold or transferred or mortgaged, pledged, charged, granted as security or otherwise disposed of.</p> <p>The 2015 Plan Rules also prohibit participants from entering into transactions or arrangements, including by way of derivatives or similar financial products, which limit the economic risk of holding unvested awards.</p>
Clawback	<p>Under the 2015 Plan Rules, all unexercised Performance Rights and Options lapse (whether or not vested) in specified circumstances, including fraud and gross misconduct, unless the Board determines otherwise.</p> <p>Similar provisions apply under the 2014 US Option Plan Rules and Performance Rights Plan Rules. Under the Performance Rights Plan Rules, the Board also has discretion to determine that Restricted Shares (or Shares delivered on vesting of awards) are forfeited in specified circumstances.</p>
Loans	The EIP Rules do not provide for the advancement of loans in connection with the grant of awards.
Adjustments	In the case of certain events affecting the Company's capital, adjustments must, or may at the Board's discretion, be made to outstanding awards to prevent prejudice to participants. Any such adjustments are required to comply with the ASX Listing Rules.
Amendments	To the extent permitted by the ASX Listing Rules, the Board retains the discretion to vary the EIP Rules.
Other terms	The EIP Rules also contain customary and usual terms with regard to applicable law for dealing with the administration, variation, suspension and termination of the EIP.

Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

VOTING UNDER BOX A

If you ticked the box under Box A you are indicating that you wish to vote directly. Please only mark either "for" or "against" for each item. Do not mark the "abstain" box. If you mark the "abstain" box for an item, your vote for that item will be invalid.

If no direction is given on all of the items, or if you complete both Box A and Box B, your vote may be passed to the Chair of the Meeting as your proxy.

Custodians and nominees may, with the Share Registrar's consent, identify on the Voting Form the total number of votes in each of the categories "for" and "against" and their votes will be valid.

If you have lodged a direct vote, and then you attend the Meeting, your attendance will cancel your direct vote.

The Chair's decision as to whether a direct vote is valid is conclusive.

All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.
